

Where we spend most of our time!

We have great athletes, coaches and parents.

What we do not have is a dedicated volleyball facility.

We rent training space at the following venues:

- Loy Norrix High School
- Maple Street Middle School
- Hackett Catholic Prep High School
- 2<sup>nd</sup> Reform Church
- The Gagie School

We have wonderful partnerships with all these buildings and the professionals that allow us to enter. We are responsible for pre, during and post training preparation and we leave each training space in better condition than which we found it.

We look forward to getting started!
